Welcome to my portfolio.

I'd get to know me.

## About Me

A brief introduction about myself.

### Education Background

#	Institution	Degree	Field of Study	Start Year	End Year	GPA
1	XYZ University	Bachelor's	Software Engineering	2022	2023	3.8
2	ABC College	High School	General	2019	2021	3.5
3	DEF Academy	Middle School	General	2016	2018	4.0

### Final Thoughts

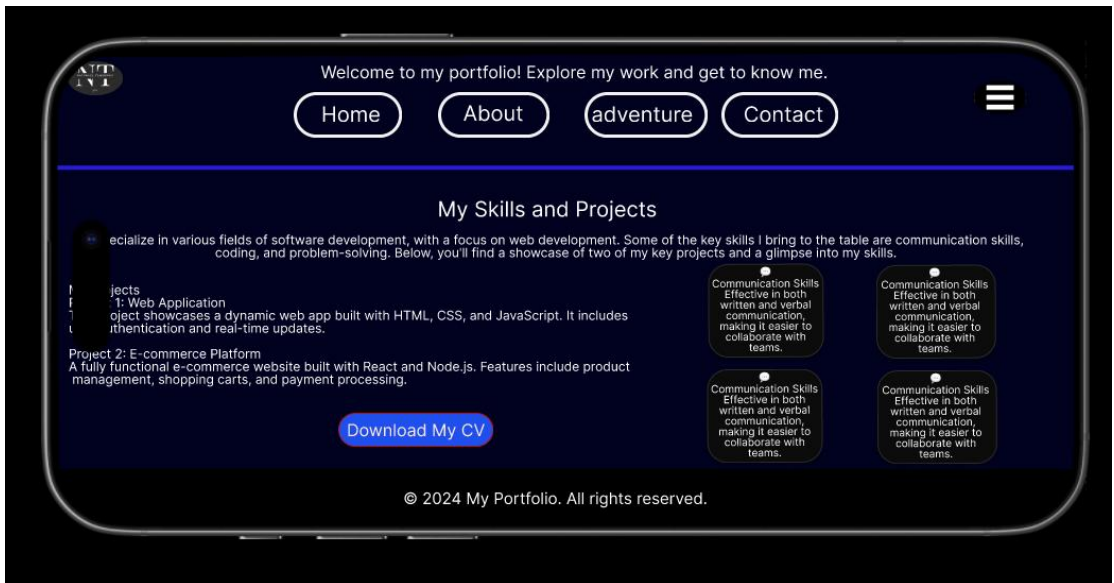

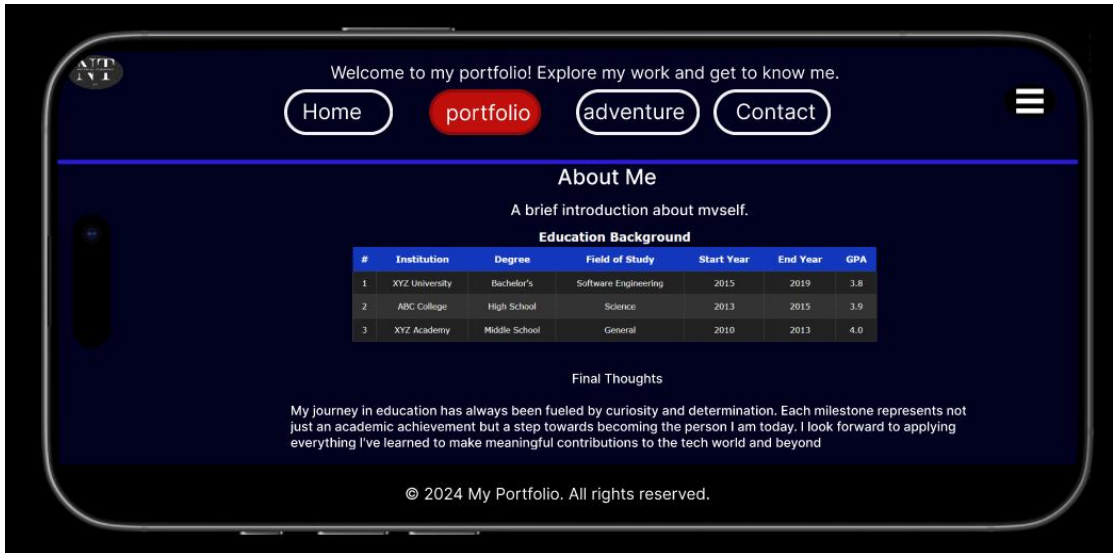

My journey in education has always been fueled by curiosity and determination. Each milestone represents not just an academic achievement but a step towards becoming the person I am today. I look forward to applying everything I've learned to make meaningful contributions to the tech world and beyond.

### Adventure 1

In this adventure, I traveled to the mountains and explored the beauty of nature. The trek was challenging, but the view from the top was worth every step.

### Adventure 2

This photo was taken during a trip to Hawassa, a vibrant city by the lake known for its stunning sunsets and diverse wildlife. The serene waters and lively atmosphere created a truly memorable experience.

### Adventure 3

This video showcases my scuba diving experience in the deep blue ocean. The marine life was incredible, and the peaceful environment was mesmerizing.

### Adventure 4

This photo was taken during a visit to Axum, a historic city known for its ancient obelisks and rich cultural heritage. The timeless architecture and peaceful atmosphere made the experience unforgettable..
